

Let's Rise Against Hunger Together!

On February 3, volunteers of all ages will have the opportunity to prepare and package over 10,000 meals for developing nations with Rise Against Hunger, a national organization dedicated to fighting hunger on a global scale. Together, Rise Against Hunger and Temple Beth-El are hosting this event, which will allow our community to participate in this unique, interactive, and fun service opportunity. The event will start at 12:30 PM, so before you attend your Superbowl Sunday "kickoff," come "give back" to people in need around the world.

To ensure a large amount of meals to put together, we will need to donate as much money as we can before and on the day of the event. Although volunteering is free, please consider giving just \$0.34 for a meal!

\$5 provides 15 meals

\$34 provides 100 meals

\$69 provides 200 meals

\$102 provides 300 meals

\$170 provides 500 meals

Any amount donated to the event counts, so give what you can!

40 to 50 volunteers can pack over 10,000 meals in a short time, but we want to do more! The more volunteers we get—the more food we can pack! If you would like to volunteer for and/or donate to Temple Beth-El's Rise Against Hunger event, sign up online at <https://tinyurl.com/tberah>. For further information, contact Ross Halfant at ross@beth-elsa.org or 210-733-9135 ext 110.
