Shabbat Morning Worship

10:30 a.m.: Rabbi Yergin and Cantor Berlin

Torah Portion: Noach

Parashat Noach

Parashat Noach tells the story of God's decision to destroy the earth with a flood because of the corruption and wickedness found in the world. Only a righteous man by the name of Noah, his family, and pairs of every kind of creature were to survive. Noah was told to build a large boat, an ark, and to make a place on it for every creature he was to save. After the Flood, those aboard the ark started life on earth all over again, and God promised never to send another flood. Later human beings decided to build a city and a huge tower that would reach from earth to heaven. Seeing what they were doing, God scattered them all over the earth and gave them different languages to speak.

From October through April, Rabbi Mara Nathan and Pastor Kenneth Kemp will lead us through a discussion of Wilkerson's powerful and thought-provoking work. Our book discussion will culminate with a city-wide event featuring a presentation by Wilkerson.
